Prescott Municipal Emergency Control Group took under advisement the amendments made to Ontario Regulation 104/20 as part of the *Emergency Management and Civil Protection Act* – Closure of Outdoor Recreational Amenities as announced on Wednesday, May 20, 2020. These open/closed decisions have been to remove incentive for gathering in outdoor recreational spaces, to reduce the risk of traveller and/or community spread of coronavirus.

Dogs must remain on leash and owners must pick up after their pet. Please do not litter. Municipal By-Law and O.P.P education and enforcement continue. All indoor Town of Prescott assets remain closed to public.
