BUSINESS ARISING FROM THE MINUTES OF: April 16, 2024

- The Betsworth family have agreed on the purchase of Kobo's with their donation money, final total was \$\$3290.00. It was decided that 10 Kobo's would be purchased with covers, extra charging cords (to remain at the library) and some headphones. I am hoping that Joel Cummings will come and do a small “seminar” (s) on the use/care of the tablets.
- The family would like each Kobo and cover engraved with something to mark the items as donated in Ruth's memory.
- The library painting is finished. It looks great. Jane will be painting all of the wooden furniture in the kids room next but most likely will not start until the end of the summer.

- Summer project is to revamp the policies and by-law binder, especially surrounding employees/personal
- Increase notification was forwarded to Matthew
- Any word on our budget from council? Is there a final amount agreed upon?
- My office moved across the hall and we completed the “smaller meeting room space” information will be loaded on to our facebook and web page with pictures, costs and rental agreements
- Tony has completed all work in the library
- MOU to be created this summer ready to be signed by the town in September
- First info session for our FOL group, well attended and so many great ideas!
